### Grand Knights Comments

Summer is a busy time of the year for us. One of our big changes to start summer is electing a new slate of officers. I want to thank those members that accepted the nomination for office. This is my last newsletter as Grand Knight. I look forward to serving the council as trustee for the next three years. Please support the new officers as they assume their positions and responsibilities.

As many of you know now that we are into summer we are starting to think of the county fair booth. This project takes more members to be a success than the other projects. The fair booth is also one of our most important projects as we get to work directly with the community. As you are making your summer plans please try to keep time open to be able to work at the county fair. The booth runs very smooth when we are fully staffed.

 Grand Knight**
