Grand Knights Comments

As we start getting some spring like weather I started thinking about the fair booth. Last year we did some last minute tree trimming at the fair and made things better. I would like to see us get a group together yet this spring and do more landscaping and touchup paint on the building. If anyone has some retaining wall blocks they would like to give away, one project I would like to see us do is put a retaining wall to hold up the gravel next to the building to keep the erosion from causing us issues down the road. It would be nice to trim up the trees and make everything look nice by our stand.

Please remember that June is the election of officers and we need to get as many people at the meeting as possible to make sure the council members are well represented in electing the new officers. Please mark your calendars and plan to attend. After the election please help support our newly elected officers that will start their new positions in July. Also please thank the past officers for the hard work and dedication that they put in to make our council what it is today.
